### Program

- Day 1** Welcome at the airport or as defined. By train to Chur and on the famous Albula line, which has UNESCO world heritage status, you will reach St. Moritz by Bernina Express. Enjoy the beauty of the Engadine valley, as it is called in the local language Rumantsch, the 4th official language in Switzerland beside German, French and Italian.
- Day 2** After being well equipped with either skiing or snowshoeing equipment you will enjoy a training in the snow. For snowshoeing you reach Muottas Muragl, a beautiful mountain high above Pontresina, by train and start your first experience from there. For skiing the Piz Nair area offers you a wide range of slopes as well as off-piste opportunities to learn and improve your ski level.
- Day 3** Good bye Engadine, welcome Andermatt. You travel on board of the famous Glacier Express through the snowed-in mountains of Surselva and reach the heart of the Swiss Alps, Andermatt. Enjoy the beauty of this unique mountain village on a guided tour.
- Day 4** Andermatt is a hotspot for crispy cold winter adventures. Your mountain guide chooses one of the different options of snowshoeing tours in the Urseren valley. For skiing the Gemsstock area offers endless options of on- and off-piste rides. As well there is a special designed avalanche training center, where you can improve your skills.
- Day 5** On board the Glacier Express you enjoy a ride through the beautiful Rhodane valley to Visp and Zermatt. After the hotel check-in take your time by visiting the village by your own.
- Day 6** Would there be anything more attractive, than snowshoeing or skiing right in front of the Matterhorn. Your mountain guide will explore a unique snowshoe hike with you from Trockenersteg to Schwarzsee right in front of the impressive Matterhorn Eastface or you enjoy the skirides from Klein Matterhorn down to Zermatt with more than 2000 m of descent.
- Day 7** From Zermatt by train to the Headquarter of Mammút. Welcome lunch, guided tour through the company's own museum that shows the history of more than 150 years. Shopping in the own Outlet Store.
