Program

- Day 1**
- Individual arrival in Zermatt. Welcome and information about the upcoming weekend provided by the mountain guide. The gondola will then take you to Klein Matterhorn. You go straight to the glacier in direction of Gobba di Rollin 3898 m and the training will take place in the afternoon. After this, you can enjoy a cozy get-together and a great night at the hut. (Distance: 4 km. Duration: approx. 2 hours. Ascent/Descent: 100/450 vertical meters).
- Day 2**
- The gondola takes you up to Klein Matterhorn from where you traverse the Breithorn Plateau, a glaciated plateau of impressive dimensions. The knowledge acquired on day one regarding the use of crampons and ice axes will come in very useful on the steep ascent towards the summit. The ascent to the highest point is worthwhile in every way. In addition to that incredible feeling of having managed to reach the top of a 4,000-meter peak by yourself, you can look forward to a tremendous panoramic view of the Western Valais 4,000-meter peaks, the Mont Blanc area, the Gran Paradiso Chain with the Aosta Valley, the Po Valley all the way to the distant Bernina Group and the Bernese Alps. Congratulations on climbing this impressive 4,000-meter peak! The descent will take you to the Klein Matterhorn station and from here the train will take you back to the green pastures of the Mattertal Valley. Individual journey home. (Distance: 7 km. Duration: 5.5 hours. Ascent/Descent: 700/500 vertical meters)
