Free Touring - Andermatt

SHORT ASCENTS, LONG DESCENTS (CH) | 3 DAYS

Wide slopes, fresh powder snow and endless turns! We'll combine short ascents with long descents, escape the hustle and bustle in untracked, forgotten valleys and pick the perfect line for you. Andermatt is a mecca for free touring. Using ski lifts, we'll quickly gain altitude and, thanks to our skins, reach exciting transitions, beautiful peaks and, above all, plenty of untracked powder snow.

New: Enjoy the benefits of a high-quality but affordable accommodation, stay in one of the Andermatt Alpine Apartments. In the integrated living and sleeping area with kitchenette you can prepare a fine dinner or breakfast by yourself. Of course, there is also the option of having your meal served to your room or taking place in the Biselli restaurant next door.

Or would you prefer a little more luxury? After a day out in the snow and wind, enjoy the 4-star superior hotel Radisson Blu Reussen. First with the wellness program in the stylish spa and then with dinner in the regionally inspired gourmet restaurant.

Program

- Day 1** Individual arrival in Andermatt and welcome. After avalanche transceiver/safety training, you will head out towards the Oberalp Pass, Nätschen or the Gemsstock! The guide will decide on a suitable tour depending on conditions.
- Day 2** Whether from the Oberalp Pass to Piz Cavradi and over dream slopes to Tschamut, from Gemsstock to Rotstock and into the Unteralp Valley, or even from the classic Pizzo Centrale via Guspis to Hospental - a wider range of options is hard to imagine. And by the end of the day, we're sure to have more descents than ascents behind us. (Distance: 4-6 km; Duration: 2-4 hours; Ascent: 700 vertical meters).
